Joint responsibility agreement.

The manager of the DANTE ALIGHIERI junior high school-Catania and the parent of the student..... are aware that ,as stated in DPR235/07,the school and the family are both responsible for the successful education and the harmonious growth of young generations.

They undersign the following Educational joint agreement:

- Both the family and the school must reciprocally communicate about matters concerning the student’s educational process and his/her personal overall growth, on a regular basis.
- Parents must fill in the school self analysis questionnaires forms (FARO PROJECT).
- They point out the value of what stated by the Italian Constitution (Art.30): “ Parents must educate and upbringing their children even if they were born out of marriage.
- Parents are always responsible for the education and misbehaviour of their children even when they are at school.

Mutuality of rights and duties

- The students', the parents' ,and the staff's rights and duties are listed in the fundamental charters of the school. They can be read and downloaded on the school site:www.alighierict.it

Students disciplinary regulations

Parents/tutors in subscribing this document are aware that:

- The school regulations are based on the students' charter (DPR 235/07).
 - The breach of discipline will be punished.
- The school statute specifies different types of disciplinary rules infringements, punishments, punishment infliction procedures, claim procedures.

Compulsory Reconciliation Procedures: notices and claims

- Breach of contract notice.
 - Investigation
 - Reparation
